FOR IMMEDIATE RELEASE

**AMERICAN TRAFFIC SOLUTIONS PRESIDENT AND CEO JAMES TUTON STATEMENT IN RESPONSE TO HOUSTON'S DECISION TO RESUME RED LIGHT SAFETY CAMERA PROGRAM**

SCOTTSDALE, AZ (July 6, 2011) – In accordance with Mayor Parker's announcement, ATS is working to immediately reactivate and fully functionalize Houston's red light safety cameras. We look forward to resuming work with the City on this important public safety initiative. As we have seen over the course of the last several years, Houston's red light safety camera program has been successful in changing driver behavior, reducing collisions and ultimately saving lives.

***About American Traffic Solutions:***

ATS is proud to be the market leader in Road Safety Camera installations in North America. ATS has more than 2,600 installed Intersection and Speed Safety Cameras serving more than 30 million people. We have contracts in 240 communities in 22 states and Washington, D.C., including: Fort Worth, Kansas City, Los Angeles, Memphis, Miami, Nassau County (NY), New York City, Orlando, Philadelphia, Seattle and St. Louis. ATS also offers PlatePass, an automated electronic toll payment service that enables rental vehicle customers to use high-speed, cashless electronic toll lanes. ATS is a privately-owned, U.S. corporation. For more information, please visit: [www.atsol.com](http://www.atsol.com) or [www.PlatePass.com](http://www.PlatePass.com).####
