ATS Receives Arizona Corporate Excellence (ACE) Awards

Scottsdale, AZ — American Traffic Solutions (ATS) is pleased to announce that once again it has been recognized by the Phoenix Business Journal as both one of the largest and fastest growing privately held companies in Arizona. At a ceremony last night, ATS was named the 23rd largest privately held company and the 6th fastest growing privately held company in the state.

ATS President and CEO James Tuton stated, “These last few years have been an exciting time for all of us at ATS. Our continued and aggressive growth is a testament to the quality and performance of the 837 employees at ATS, whose hard work every day has enabled our continued success.”

Tuton added, “As city governments and police departments across the country are being asked to do more with less, the range of our products and services enable them to expand services at a lower cost.”

ATS offers a wide range of public safety and driver compliance solutions, including: red-light safety cameras, speed safety cameras, bus lane cameras, railroad crossing cameras, violation processing services, as well as fleet and rental car payment and processing services. ATS is solely focused on improving road safety and mobility.

“I am proud of what we have been able to accomplish and even more excited about where we are going in the future,” added Tuton.

About American Traffic Solutions:

ATS is proud to be the market leader in road safety camera installations in North America. ATS has more than 3,000 installed red-light and speed safety cameras serving more than 30 million people. ATS is the largest road safety camera program service provider in North America with awards or contracts with nearly 300 local jurisdictions in 21 states and Washington, D.C., including: Fort Worth, Kansas City, Memphis, Nassau County (N.Y.), New York City, Orlando, Philadelphia, Seattle, St. Louis and more. ATS also offers PlatePass, an automated electronic toll payment service that enables rental vehicle customers to use high-speed, cashless electronic toll lanes. ATS is a privately-owned, U.S. corporation. For more information, please visit: www.atsol.com or www.PlatePass.com. To view video that serves as a chilling reminder of the dangers that red-light runners present to our family and children; visit ATS on YouTube here: <http://www.youtube.com/user/ATSRoadSafety>
